

K-LOVE has been an extremely important part of my everyday and that of many of my friends. When I'm down or upset, I can turn on K-LOVE and get an immediate lift. I always feel closer to God when I'm singing his praises with the radio. This is one of the few radio stations that I don't have to worry about content when my kids listen to it.

Please don't do anything that will jeopardize my reception. This is the only Christian radio station in this area.
